Meet Spiders in Championship Basketball Game on Howitzers' Court To-Night.

Ashland, Va., February 24.—The Yellow Jackets are on edge for the biggame with Richmond College to-morrow night. The team went through a hard game Saturday night, when they defeated William and Mary, but are all in good shape for to-morrow night's contest. The boys are determined to put up a hard fight, win or lose, because, besides opposing their ancient rivals, they will be fighting for championship of the Eastern Virginia Intercollegiate Association.

This afternoon the boys went through

pionship of the Eastern Virginia Intercollegiate Association.

This afternoon the boys went through a stiff practice and Coach Relss seems very confident, aithough he will make no statement of his expectations.

The team started cut the season in a very poor fashion and it looked as though they would make a very poor record for the scason, but after the first three or four games they seemed to take a new lease on life and since that time they have been right up to the top-notch. They have worked hard and deserve great credit.

Only one game remains after tomorrow night, and that is with Hampden-Sidney on Friday night in the local gymnasium. If the Yellow Jackets come off victoricus in the two remaining games they will have completed a misst successful season.

The men who will start the game for the Yellow Jackets to-morrow night are: Sheffey, left forward; Millican, right forward; Capitali Walker, left guard; Poet, right guard; Compton, centre.

Want Matty to Manage Brooklyn

New York, February 24.—The Federal League has made Christy Mathewson, star pitcher of the New York Nationals, a proposition to manage the Brooklyn Federals at his own terms. President Glimore has wired Mathewson as follows:

"Will you manage the Brooklyn Federalst You may name your own terms!"

Federals? You may name your own terms?"

"This is no stall," said Gilmore today. "We want a big man to manage Brooklyn, and have failed to get Stahl. We honestly want Mathewson if there is any possibility to get him, and he can play with Brooklyn at his own terms. He is not signed up with the Giants, and we will gladly give him twice as much as he received from the New York club last season."

Gilmore has not received an answer from Mathewson.

According to the New York club management, Mathewson is on his way from Los Angeles to Marlin. Secretary Foster, of the Giants, said Mathewson had not yet signed a contract, but that he was only watting to get one of the new form of contracts, and was willing to sign as soon as a few slight details were straightened out.

GILMORE TO HAVE

Distribution of Federal League Players Sure to Cause Considerable Argument.

New York, February 24.—James A. Gilmore, the energetic president of the Federal League, must hurdle a real obstacle next Saturday at Chicago. He has called a meeting of his followers in the Windy City on that date, when he proposes to arrange among them some amicable settlement relative to a division of talent that will best balance his field of eight clubs.

President Gilmore has said repeatedly, and still sticks to it, that the diamond athletes will be pooled in such a manner as to divide playing strength as evenly as possible. Otto Knabe and Joe Tinker have both declared they will not countenance such a move. They say they have hustled all winter for the best available talent, and that less energetic clubs should not profit at their expense.

Chicago, Ill., February 2: Henry O'Day, veteran umpire, whom Charles W. Murphy named as manager of the Chicago National League team to succeed Johnny Evers before the club was sold to Charles P. Taft, of Chaclmath, probably will be retained in his new position turing the coming season. The following telegram from the club's scretary has been received by O'Day, who is in charge of the Cubs training camp at Tampa, Fin., according to information received here to-day:

"Mr. Taft instructs me to say that your contract made with Murphy will be carried out, and you are to continue as if nothing had happened."

Philadelphia, Pa., February 24.—Philadelphia American and National League players left to-day for spring training in the South. A contingent of the Athletics started by boat from New York for Jacksonville, while some of the "Phillies" left here by rail for Wilmington, N. C.
There were thirteen players in the National League, party. Other playors will go direct to Wilmington from their homes. Catcher Klillier already is at the Bouthern training grounds.

and are making plans for the coming season.

The various league presidents have not as yet fully decided on the teams that will make up their circuits for this year.

The Capital City League expects to reduce the numbers by cutting the number of clubs from six to four teams, and these will in all probability be the Richmond Grays, who were winners of the pennant last season; the Battle Axe, who were winners of the pennant last season; the Battle Axe, who were winners the first two seasons; the Richmond Collegians and Ashland.

The Old Dominion League expects two new clubs this season. Just what teams these will be President La Touche has not decided upon yet. Mr. La Touche has several applications and is taking his time in deciding which of the applicants will come up to the standard of the teams now in his league. Woodall & Quarles and Kahn's of Richmond are to retire from this league this year.

to the standard of the teams now in his league. Woodall & Quarles and Kahn's of Richmond are to retire from this league this year.

President Crowder, of the Richmond League, reports that he will have the same clubs on his roster this year that he had last scason. The only change in this league is that A. A. Adkins's team will have a new manager. Donnelly, who managed this team last year has rosigned.

The Commercial League, which lost two clubs last season, will continue to play with the four clubs that were left—Crafts Plano Company, Simon Sycle, Home Brewing Company, President Floyd is very optimistic over the prospects of his league and says that he hopes to give such high class baseball this season that the commission may see fit to give his league a higher classification in another year.

As is usually the case, the Central League is about ready for business. This league has always been the first league to get in shape, and under the guiding hand of A. Volkman, Jr., president and secretary, has done wonders in the past few weeks.

There are several applications on file from club managers, and others, either wishing to put teams in leagues that are already formed or wishing to form new leagues.

Applications for the formation of leagues for a place in one of the leagues already organized may be mailed to John R. Hooper, Jr., secretary, 1011 West Cary Street, city.

There has only been one contract registered for the season of 1914, and that is White, who has signed a Crafts Plano contract.

Emory, Va., February 24.—Roanoke College defeated Emory and Henry College in a hard fought game of basketball here Saturday by the score of 18 to 15. The attendance was 200. What Telephone Users Can Do to Help the Service

THERE are three parties to a telephone call—the person making the call, the trained operator and the party called. It is not sufficient that one or two of the above parties do their work properly. The co-operation of all three is necessary.

Telephone users may help the service by-

Consulting the telephone directory before making calls, thus obviating the many errors due to calling numbers from memory.

Speaking directly into the transmitter in a clear, distinct voice.

Separating the figures of a telephone number when making a call, for example: Madison 1-2-3.

Correcting the operator if she repeats the called number incorrectly.

Holding the telephone receiver to the ear until the called party answers or the operator reports.

Being ready to talk when the called party answers. As a matter of courtesy, the person making the call should not oblige the called party to await his convenience.

Answering telephone calls promptly. Any incoming call may be of the utmost importance.

In telephone operating the human element must be considered. The public is human. Telephone operators are human. The hastily spoken word and its inflection convey whatever impression each gets of the other. Under such conditions, courtesy on the part of the public and the operator is like oil to machinery—necessary to prevent friction.

FOR CUB STOCK

Chicago. Ill., February 24.—Only one syndicate has been left in the field of those who sought control of the Chicago National League baseball club. The \$70,000 bild of the Behan group for 51 per cent of Cubstock caused the other two syndicates—to assume a waiting attitude until C. P. Taft, owner of the majority of the stock has passed on the Behan proposition. It was said that a coterie which proposed to put John P. Harding at the head of the club would have a representative in Chichnacti to-morrow. The High Thompson-McCulloch group has withdrawn from active participation Charles A. McCulloch announced.

Louis J. Behan, who is handling the offer of the six men who compose one syndicate, to-night left for Clincinnati

The Federal League will open its playing season April 25, and stands and grounds in most of its cities will be ready by that time, it was said to-day by Charles Weeghman, president of the Chicago club.

The Brooklyn Federal League club manager has not been named. Sam Howard, Detroit outfleider, president Glimore intimated, might be selected. Catcher Wingo also is a possibility.
